## **Put the wind in your sails...**

Ever wondered what sailing is like? Try it this weekend at the new FUN MARITIME ACADEMY in Sanford.

"We wanted our GRAND OPENING to be fun, and to introduce everyone to the art of sailing," says Willie Blevins of the sailing school and boat rental facility at the Monroe Harbour Marina. The floating blue schoolhouse and the sailboats, skiffs and pontoon boats sure look fun. Over the weekend there will be drawings for free t-shirts and prizes in addition to a raffle for free sailboat lessons. What's not fun about that?

Stop by for a boat ride, refreshments, and information about boat rentals and sailing classes. Have your picture taken with Sushi the mermaid. Watch for the bubbles!

For more information, call FUN MARITIME ACADEMY, 407-330-0633, or stop in Friday, Saturday or Sunday to join in the celebration of the Grand Opening, which is part of the Fourth of July Festival in Sanford. FUN MARITIME ACADEMY is located at Monroe Harbour Marina, 531 North Palmetto Avenue, "A" Dock, Sanford, Florida 32771.
